Council Action:

IV. Visitors and Communications

- A. Zoning Applications: John Hauser Jr. and Amy Augedahl have submitted a Zoning Application proposing to construct a new residence with attached garage at 317 Gjere Avenue. The illustrated layout shows a need for a 15' setback variance on the west (rear) property line. Addendum #2

Council Action:

- B. Athletic Field Use: Mike and Jeanette Buttell request authorization to use the Athletic Fields without charge for a benefit softball tournament and auction for Mark Buttell. They also request authorization to conduct charitable gambling and to conduct the retail sales of 3.2 Malt Liquor. These items will have to be submitted on appropriate forms as directed by the State of Minnesota. The event will have to be coordinated with other athletic field use to avoid conflict with other summer programs.

Council Action:

- C. Water Leak: Reference the item tabled at the past regular meeting concerning the water leak at the residence of Robert Buege, 210 East Adams Street. Addendum #3 contains information concerning the calculated and metered volume associated with the leak and the costs therefore. Approximately 12,134 cubic feet or 91,005 gallons registered on the broken meter. Addendum #3

Council Action:

- D. Caledonia Founders Days: Noel Brenza, President, will present information to the Council for certain Caledonia Founders Days activities.

Council Action:

- E. Zoning Application: Jeff Sheehan, 416 East Main Street, has submitted a Zoning Application proposing to construct a 28' x 34' addition onto an existing 21' x 28' garage for a total building dimension of 28' x 55'. This addition plus the existing garage totals 1,540 square feet whereas the Zoning Ordinance stipulates 1,200 square feet as the maximum allowable area, requiring a 340 square foot variance. Addendum #4

Council Action:

- F. Zoning Application: Diane Schulze and Arden Krueger Jr., 1129 East Grant Street, have submitted a Zoning Application proposing to construct a new 52' x 34' residence with a 28' x 32' attached garage being 896 square feet. Because there already is a 1,200 square foot garage on the property, the maximum allowable garage area, this application requires a variance of 896 square feet for the proposed new garage as well as a variance to permit 2 garages on the same parcel of property. Addendum #5

Council Action:

- G. Zoning Application: Enclosed is a temporary Zoning Application submitted last October by Mike Rogich for a temporary location of garage on his property on the east end of the City. Also enclosed are letters relating to that temporary location. Addendum #6
